

Homecare Hi-Lo Adjustable Beds

Better Sleep ~ Better Health ~ Better Life

Liberty HealthCare's **HEMOCARE HI-LO** Adjustable Beds are specially designed for high care patients and with the carer in mind. The Hi-Lo bed conveniently raises to the carer's standing position putting less strain on the carer's back. The bed can then be lowered to the normal Hi-Lo normal bed height. The Hi-Lo function is also of benefit for those needing to transfer at certain heights. It features Hospital-Grade Linak motors and a high quality steel frame to give you many years of trouble free use.

Features

- Hi-Lo Function (vertical raising and lowering of the bed)
- Direct Drive Motors for the Head & Leg Lift and Hi-Lo function
- Soft Touch Corded Handset
- Massage option available
- 280kg weight capacity (single and king single)
- 320kg weight capacity (double and queen)

Specifications

- Lockable castors
- Quality steel frame
- **New Zealand made**
- 25 year warranty on frame
- 10 year warranty on electrics and mattress

HI-LO Beds can be custom made to suit the user and carer's specifications. A large range of accessories are available to make this very functional bed look right at home in your bedroom, including bed rails and head & foot boards. Ask about our companion sets available throughout our range.

We know the value of a good night's sleep
