Tilt Adjustable Beds

Tilt - Adjustable Beds

The Liberty Healthcare TILT range is specifically designed for high care patients with carers in mind. Featuring Hospital-Grade, European engineered electrics and our market leading quality steel frame.

The TILT adjustable bed features TRENDELENBURG functionality which enables forward and reverse tilt and one of the highest lift capabilities on the market. Making it beneficial for any user needing to transfer at certain heights.

Functions

Head Raise

Leg Raise

Zero Gravity

Flat

Hi-Lo

Tilt

- **Head Raise:** Improves postural support and can ease symptoms of reflux, respiratory conditions, snoring and sleep apnoea.
- **Leg Raise:** Assists with circulation and helps relieve tired, swollen or painful limbs.
- **Zero Gravity:** Helps relieve pressure on the joints, reduces compression and relaxes the muscles.
- **Hi-Lo:** Allows the raising of the mattress surface to an ideal height.
- **Tilt:** Trendelenburg (Forward and Reverse Tilt).
